Dear Mr. Jackson,

With a BIG thank you for your part in this success, I am pleased to say that The WWF Auction for Nature on eBay.ca wrapped up earlier this month, raising nearly \$200,000 and increasing awareness about WWF's conservation work.

Thank you very much for your generous contribution to the Auction. Every item donated was appreciated and I hope you feel very much part of our organization's conservation achievements as a result of your participation.

I look forward to keeping you apprised of WWF's initiatives – we are hard at work protecting our oceans, looking out for our forests, trying to cool our climate, and saving endangered species in Canada, and around the world. Helping nature helps people. We are very grateful for supporters like you, who make it possible for WWF to do good work.
